

Area Meeting Change Announcement

Due to the coronavirus, many Groups are experiencing disruptions in their meeting schedules. Whether due to city/county ordinances, the direction of the facilities where they meet, or by their own decision, Groups are limiting meetings, meeting digitally with Zoom, Skype, or other applications, and/or keeping in touch with texts, calls, and emails.

The website has received some requests for meeting changes, and these are being posted as soon as possible, but the change requests don't seem to reflect the number of Groups that are adjusting in response to this crisis. While much information is being shared locally, *remember that you can request meeting changes, even temporary ones, on the site.* Just include as much information as possible.

You can also contact any officer or committee chair through the site, and find Group, District, and Intergroup Websites, along with Helplines and Intergroup phone numbers. www.aa.org/pages/en_US/update-on-covid-19-coronavirus has some information and several links to help as well. If you have any other issues, don't hesitate to contact the webmaster. Thanks, and stay well and sober!
